## York's first World Naked Bike Ride!

Assemble at 6pm in Memorial Gardens (near Railway Station). Depart at 6.30pm

### What's this all about?

Join a global protest against oil dependency, and celebrate the power and individuality of your body! Enjoy the freedom of cycling past York's bike-friendly medieval streets with less clothing than usual.

### Do I have to be nude?

No! Many ride nude, but if you're shy, shorts, swimwear, crop tops, body-paint, sunglasses, or masks are all fine. No one will pressure you to take off more clothes than you want to. A perfect body is not required either... we come in all shapes and sizes.

### Will I be arrested for nudity?

Highly unlikely. Nudity in itself is not illegal in England. This is why the London and Brighton police have both allowed rides.

**Two more rides take place the following day (Saturday) - Brighton 10am at The Level, London 3pm at Wellington Arch**

**For info on these or any of the 100+ rides worldwide, see [www.worldnakedbikeride.org](http://www.worldnakedbikeride.org)**
